LOCATION & ACCESS

- East Parsley Drive — central Madeira Beach
- Largest available residential parcel on the island
- Rare assemblage opportunity at 1.16 acres
- Walking distance to Gulf beaches
- Minutes to John's Pass Village & Boardwalk
- Subdividable under Pinellas County platting rules
- R-1 zoning allows ~6,000 sf minimum lot size
- Potential for 6-8 single-family lots
- Established residential neighborhood
- Close to Gulf Blvd commercial corridor

KEY ADVANTAGE

This is the only parcel over 1 acre currently available in Madeira Beach. At \$12/sf for the land, it's dramatically below the \$60-\$80/sf that individual lots trade at. The subdivision play creates 6-8 lots at an effective cost of \$77K-\$103K each — lots that individually sell for \$250K-\$350K.

DEVELOPMENT PRO FORMA — SUBDIVISION STRATEGY

LINE ITEM	AMOUNT	PER LOT (7 LOTS)	NOTES
Land Acquisition	\$615,000	\$87,857	Asking price
Closing Costs (Land)	\$12,300	\$1,757	~2% of purchase

WHY THIS DEAL

- 1

Rare Assemblage

1.16 acres is the largest available residential parcel on Madeira Beach island. Parcels this size almost never come to market.
- 2

\$12/SF Land Cost

Individual lots in Madeira Beach trade at \$50-\$124/sf. Buying at \$12/sf creates massive value through subdivision.
- 3

Multiple Exit Strategies

Sell subdivided lots individually, build spec homes on all lots, or a hybrid approach. Flexibility reduces risk.
- 4

Build-to-Rent Option

7 new construction homes at \$3,500-\$4,500/mo each = \$294K-\$378K annual rental income. Strong hold strategy alternative.
- 5

Island Scarcity

Madeira Beach is a barrier island with finite land. Every lot subdivided here captures irreplaceable island real estate value.
- 6

La Gala Vertical Play

CC/La Gala can build all 7 homes in-house, capturing both developer and contractor margin on each unit.

PROPOSED DEVELOPMENT

- 7 lots at ~6,500-7,200 sf each
 - Internal access road with utilities
 - Each lot supports 2,200-2,400 sf home
 - FEMA-compliant elevated construction
 - Consistent coastal architectural theme
 - Shared tropical landscaping package
- Phase 1: Entitlement & platting (4-6 months)
 - Phase 2: Infrastructure (3-4 months)
 - Phase 3: Lot sales or vertical construction
 - Each home: 3-4 bed / 2-3 bath
 - Impact windows, metal roof standard
 - Individual home exit: \$750K-\$950K each

DUE DILIGENCE CHECKLIST

- Confirm subdivision feasibility with Pinellas County
 - Verify minimum lot size requirements
 - Environmental / wetlands assessment
 - Confirm utility capacity for 7 homes
- Traffic impact study (if required)
 - Stormwater management plan
 - Title search & survey
 - Confirm BFE with FEMA flood map

Ready to Move Forward?

This is a rare large-parcel opportunity on a barrier island. We can submit an LOI within 48 hours and begin entitlement work immediately upon closing. La Gala Construction is prepared to develop the entire subdivision.
