WHY THIS DEAL

- 1

Johns Pass Location
Steps from the #1 tourist destination in Madeira Beach. 3.1M annual visitors create year-round rental demand unmatched anywhere on the island.
- 2

Immediate Cash Flow
6 units generating income from day one. No construction timeline or lease-up period required. Income starts at closing.
- 3

STR Upside
Converting units to short-term rentals near Johns Pass can increase per-unit revenue 40-60% over long-term rents.
- 4

Value-Add Renovation
\$30K/unit cosmetic renovation can increase rents 25-35% and reposition units for premium STR rates of \$200-\$300/night.
- 5

RM Zoning Flexibility
Residential multifamily zoning provides flexibility for density, unit reconfiguration, and potential expansion.
- 6

Barrier Island Scarcity
Multifamily properties on Madeira Beach are extremely rare. RM-zoned parcels near Johns Pass are virtually irreplaceable assets.

RENOVATION SCOPE

- 6 units cosmetic renovation
- New flooring, paint, lighting throughout
- Kitchen updates: countertops, fixtures, appliances
- Bathroom refresh: vanities, tile, fixtures

- Exterior paint and curb appeal upgrades
- Tropical landscaping and lighting
- Parking area improvements
- Coastal-themed staging for STR listings
- Professional photography and listing setup
- Property management system implementation

DUE DILIGENCE CHECKLIST

- Verify current rent rolls and occupancy
- Review operating expense history (2 years)
- Confirm STR licensing requirements
- Property condition inspection (all 6 units)
- Confirm RM zoning allows STR operations
- Review insurance costs (flood + wind)
- Verify roof, HVAC, plumbing condition
- Title search & survey
