ASKING PRICE \$999,000 \$104/SF lot	PROPERTY TYPE Waterfront Lot Deep water access	MARKET Pinellas County Barrier island location

LOCATION HIGHLIGHTS

- Direct waterfront with deep water access — ideal for boating and dock installation
- Treasure Island barrier island with strong luxury home demand and limited inventory
- Minutes to Gulf beaches, restaurants, and the Treasure Island Causeway
- R-1 zoning supports new custom waterfront home construction up to current code
- Pinellas County waterfront lots consistently appreciate 8-12% annually

INVESTMENT HIGHLIGHT

Waterfront lots with deep water access on Treasure Island are extremely scarce. This 0.22-acre parcel offers direct water access suitable for sailboats and larger vessels, positioning it as a premium home site in one of Florida's most desirable barrier island communities.

WHY THIS DEAL

1

Scarce Waterfront Land

Barrier island waterfront lots with deep water access rarely come to market on Treasure Island.

2

Deep Water Access

Suitable for large vessels — a premium feature that commands top dollar from boating buyers.

3

Strong Comp Support

New waterfront homes in the area sell for \$700+/SF, supporting a \$2M+ exit valuation.

4

R-1 Zoning Clarity

Clean R-1 zoning with no variance needed — straightforward permitting for new construction.

5

Barrier Island Premium

Treasure Island commands premium pricing due to limited land and high demand for waterfront living.

6

Multiple Exit Paths

Build custom spec home, sell as-is to a builder, or hold as a land bank for future appreciation.

BUILD SPECIFICATIONS

- 2,800 SF custom waterfront home — 4 bed / 3 bath, elevated construction
- New dock and seawall with deep water slip for vessels up to 40 ft
- Modern coastal design with impact windows, metal roof, and open floor plan
- Estimated build timeline: 10-12 months from permit to certificate of occupancy

DUE DILIGENCE CHECKLIST

- Survey and environmental assessment — confirm buildable area and wetland setbacks
- Seawall inspection and soil boring — verify structural capacity for new construction
- Flood zone and elevation certificate review — confirm insurance cost estimates
- Utility connection availability — water, sewer, electric capacity verification
