RETURN SUMMARY

Estimated net profit of \$65,530 representing a 4.9% return on total cost over a 10-month build cycle. The pre-excavated lot and available plans reduce risk and timeline. Upside potential to \$1.6M+ with premium finishes and Gulf-proximity marketing.

WHY THIS DEAL

1

Shovel-Ready Site

Recently excavated with building plans — skip 2-3 months of site prep and design.

2

Sunset Beach Premium

Premium Treasure Island neighborhood with strong buyer demand for new construction.

3

Below-Market Land Price

\$118/SF lot cost is competitive for barrier island land with Gulf beach proximity.

4

Plans Available

Existing building plans can be adapted, saving \$15-25K in architectural design fees.

5

Strong Comp Support

New homes in the area sell \$600+/SF, supporting the \$1.5M exit valuation.

6

Lot Dimensions

120 ft depth accommodates pool, lanai, and generous setbacks for premium home design.

BUILD SPECIFICATIONS

- 2,400 SF custom home — 3 bed / 3 bath, elevated construction per flood zone requirements
- Pool and outdoor living area with covered lanai and summer kitchen
- Modern coastal design — impact windows, metal roof, open floor plan, 10 ft ceilings
- Estimated build timeline: 8-10 months from permit (accelerated by pre-excavation)

DUE DILIGENCE CHECKLIST

- Review available building plans — confirm compatibility with current building code
- Survey and elevation certificate — verify flood zone and base flood elevation
- Soil and geotechnical report — confirm foundation requirements post-excavation
- Utility availability — water, sewer, and electric connection confirmation
