WHY THIS DEAL

1

Direct Gulf Frontage

80 feet of beachfront — the most irreplaceable asset class in Florida real estate.

2

Half-Acre Parcel

At 20,720 SF, this lot dwarfs typical beach lots and allows for a true estate-scale build.

3

Panoramic Views

Unobstructed Gulf views from the entire property — the defining feature of trophy homes.

4

Generational Scarcity

Beachfront parcels of this size simply do not come to market. This is a once-in-a-decade opportunity.

EXIT STRATEGY

- Build a 4,500-6,000 SF custom Gulf-front estate targeting \$5.5M+ sale price
- Alternative: Flip the lot as-is to a custom builder at \$3M-\$3.5M for immediate profit
- Long-term hold: Beachfront land appreciates at 8-12% annually with zero vacancy risk
