COMPARABLE SALES — MADEIRA BEACH WATERFRONT

WHY THIS DEAL

1

Direct ICW Access

Intracoastal Waterway frontage with deep water access to the Gulf. Boaters pay a premium for this — it's the #1 demand driver in Madeira Beach.

3

Steps from Beach

Rare combination of ICW waterfront AND walking proximity to Gulf beaches. Dual waterfront appeal drives premium pricing.

5

Strong Comp Support

New construction waterfront homes selling at \$600-\$690/sf. Our \$452/sf all-in cost provides a generous margin of safety.

2

Build-Ready Lot

Vacant lot means zero demolition costs and no delay. Break ground within 60 days of closing — faster to exit, lower carry costs.

4

Below Replacement Cost

At \$485K for a waterfront lot, this is well below the \$600K+ that comparable ICW lots are trading at in Madeira Beach.

6

Scarce Supply

Madeira Beach is a barrier island with finite land. Waterfront lots are rarely available and never last long on market.
