LOCATION & ACCESS

- Madeira Beach — one of the most desirable beach communities in Pinellas County
- Walking distance to Gulf beaches
- Near restaurants, shops, and nightlife
- Minutes to John's Pass Village
- Easy access to I-275 and downtown St. Pete
- County recognizes 2 legal units — rare for Madeira Beach
- R-2 zoning protects dual-unit status
- Main home + detached cottage layout
- Both units can be rented independently
- Strong STR demand in beach market

KEY ADVANTAGE

The county already recognizes this as a legal 2-unit property under R-2 zoning. This is extremely rare in Madeira Beach, where most properties are zoned R-1. Renovating both units creates a dual-income asset in a beach market with STR demand consistently above 75% occupancy.

WHY THIS DEAL

1

Legal 2-Unit Status

County-recognized duplex under R-2 zoning. This is extremely rare in Madeira Beach and cannot be replicated under current zoning rules.

3

Beach STR Demand

Madeira Beach short-term rentals consistently run 75%+ occupancy. A renovated cottage is the perfect STR product for couples and small families.

5

Multiple Exit Options

Flip both units as a package, hold as dual STR, or live in one and rent the other. Flexibility de-risks this investment.

2

Dual Income Streams

Main home + cottage each generate independent rental income. Two revenue streams from one property reduces vacancy risk.

4

Value-Add Renovation

\$130K renovation budget transforms both units into modern beach living. Kitchen, bath, and exterior upgrades drive a \$325K+ value increase.

6

Below Market Entry

At \$575K for two legal units on Madeira Beach, this is priced well below single-unit homes in the area. Strong basis for profit.
