COMPARABLE SALES — TREASURE ISLAND SFH

WHY THIS DEAL

1

Lowest SFH on Island

At \$370K, this is the cheapest single-family home on Treasure Island. The fixer condition creates the entry discount — the renovation creates the profit.

3

Massive Spread

\$370K buy + \$183K renovation = \$553K all-in. Renovated TI homes sell at \$675K-\$750K+. That's \$120K-\$200K in created equity.

5

SFH Premium

Single-family homes on beach islands command a premium over condos. No HOA, private yard, and full ownership — buyers pay more for this.

2

Great Bones

Solid foundation and framing means gut renovation, not demolition. This saves \$50K+ vs. a teardown and months of timeline.

4

La Gala Execution

La Gala Construction specializes in coastal gut renovations. Proven process, reliable timeline, and quality finishes that command top-of-market pricing.

6
