MARKET INSIGHT

New construction homes near the beach in Redington Shores average \$575–\$595/SF. Buildable lots are the scarcest asset class in beach communities — buyers increasingly prefer new builds with modern flood-code compliance over older renovated homes.

EXIT STRATEGY

SCENARIO	PROJECTED VALUE
New Construction Sale (ARV)	\$1,300,000
Less: Total Investment	(\$1,220,000)
Less: Selling Costs (6%)	(\$78,000)
Net Profit	\$2,000

WHY THIS DEAL

- 1

Scarce Land

Buildable lots near the beach in Redington Shores are nearly impossible to find — this is a rare opportunity.
- 2

New Build Premium

New construction commands a 20-30% premium over renovated older homes in beach markets.
- 3

Flood Compliance

New builds meet current flood codes — lower insurance costs attract buyers and increase value.
- 4

Walk to Beach

Walking distance to Gulf beaches — one of the most desirable features for beach home buyers.

INVESTMENT HIGHLIGHTS

- 6,500 SF buildable R-1 lot in Redington Shores — walking distance to Gulf beaches
- New construction beach homes in this corridor selling at \$1.25M–\$1.38M
- All utilities available to lot line — ready for immediate permitting and construction
- Build a 2,200 SF modern beach home at \$250/SF construction cost
- Projected gross profit of \$705K on \$595K land acquisition
- New builds with current flood codes command lower insurance — major buyer incentive

TIMELINE

Permitting timeline of 60–90 days followed by 8–10 month construction period. Target completion and listing within 12 months of lot acquisition. Estimated 30–60 days on market.
