VALUE PROPOSITION

Waterfront commercial adjacent to an active marina is among the rarest asset classes on the Gulf Coast. This 10,000 SF parcel offers water views, direct tourist traffic from the marina, and C-1 zoning that supports marine retail, restaurants, or charter operations.

MARKET INSIGHT

Waterfront commercial in Madeira Beach trades at \$280-\$350/SF for land. Marina-adjacent parcels command a premium due to built-in foot traffic from boaters and tourists. A stabilized marine commercial asset at \$3.2M is conservative given comps.

EXIT STRATEGY

SCENARIO	PROJECTED VALUE

WHY THIS DEAL

- 1

Waterfront + Marina

Adjacent marina delivers built-in customer traffic from boaters, charters, and tourists year-round.
- 2

10,000 SF Parcel

Large waterfront commercial lots are essentially irreplaceable — this is a legacy asset.
- 3

C-1 Flexibility

Zoning supports restaurant, marine retail, charter office, or mixed-use waterfront development.
- 4

Tourist Corridor

Madeira Beach draws over 4 million visitors annually to Johns Pass and surrounding waterfront areas.

INVESTMENT HIGHLIGHTS

- 10,000 SF waterfront commercial parcel adjacent to an active marina in Madeira Beach
- C-1 zoning with direct water views and built-in tourist and boater foot traffic
- Marine commercial is the scarcest asset class on the Gulf Coast barrier islands
- Comparable waterfront commercial parcels trading at \$2.8M-\$3.5M in the immediate area
- Exit at \$3.2M as a stabilized marine commercial asset — conservative relative to comps
- Projected gross profit of \$1M on a \$2.2M basis with development and carry costs factored in

TIMELINE

Development and tenant build-out estimated at 6-9 months. Target stabilized value of \$3.2M with the option to hold long-term for cash flow or dispose within 18-24 months.
